

Circle of Forgiveness (From Of Water Lilies and Warm Hearts)

Staying in the present
With forgiveness

Forgiving me
For what I said
Or did not say
For what I did
Or did not do
For what I felt
Or did not feel

Forgiving you
For what you said
Or did not say
For what you did
Or did not do
For what you felt
Or did not feel

Forgiving me
Forgiving you
Forgiving...

Surrendering to peace
In a circle of forgiveness
